

BEN TIERMAN

CAREER OBJECTIVE

Freelance Technical Director and Producer with 200+ hours on air. Looking to combine my broadcast and video production skills in a new environment.

PROFESSIONAL EXPERIENCE

Student Video Director

UW-Stout Athletics, Menomonie, WI | January 2023–Present

- Directed 3-4 camera broadcasts for a variety of different sports, such as Football, Basketball, Gymnastics, Hockey, etc.
- Managed and updated live graphics being shown on broadcast
- Set up automation for A/V and scoreboard management
- Assisted with setup/teardown of all broadcast hardware
- Used TriCaster and ATEM systems for live video switching
- Communicated with broadcaster to create and run pre-game shows
- Created and showed instant replays during broadcast

Student Esports Production Manager

UW-Stout Athletics, Menomonie, WI | April 2022-Present

- Head of all broadcasting for UW-Stout Esports
- Organized, scheduled, and lead broadcast teams of 3-6 people
- Set up a graphics controller and full A/V automation to be used during shows
- Implemented and animated graphics into vMix title designer
- Created detailed Run-of-Show documents with clear talking points for on-air talent
- Assisted with A/V and broadcast implementation into new \$1 Million esports facility
